

School-Parent-Student Compact

Sarah McGarvin Intermediate School

2026-2027

It is important that families and schools work together to help students achieve high academic standards. Through a process that included all stakeholders, the following are agreed upon roles and responsibilities that we, as partners, will carry out to support student success and safety.

School Pledge

We, as a school staff, agree to carry out the following responsibilities to the best of our ability:

- Have ongoing communication regarding events, opportunities for parents to be involved, concerns, and student progress through Aeries, Parent Square, and email.
- Provide district and school site handbooks or syllabi that explain the curriculum, policies, rules, and procedures.
- Provide academic and social emotional assistance so that students feel welcomed, safe, and supported.
- Provide opportunities for college and career readiness to students.
- Provide assistance to families on what they can do to support their child's learning.

Parent Pledge

We, as parents, will support our child's learning and agree to carry out the following responsibilities to the best of our abilities:

- Ensure that my child comes to school on time and ready to learn every day by encouraging 8-10 hours of sleep, proper nutrition, and having all necessary materials.
- Regularly monitor my child's progress in school, and communicate any concerns with the teachers/school (i.e., Aeries Parent Portal, Parent Square, email).
- Support the school discipline policy, dress code policy, and follow safety protocols when dropping off or picking up students.
- Encourage my child to attend opportunities for academic support and enrichment programs.
- Assist my child to manage their time to ensure that they prioritize schoolwork, sports, clubs, and activities ahead of "screen time."

Student Pledge

I, as a student, will take responsibility for my learning and agree to carry out the following responsibilities to the best of my ability:

- Demonstrate respect for my teachers, school staff, and my classmates.
- Come to school every day on time, ready to learn, and prepared to actively participate in my education by ensuring that I have a good night's rest, bring necessary materials, complete all assignments, and put forth my best effort with a positive attitude.
- Contact and communicate with my teachers regarding any absence(s) I may have from classes in order to make up assignments according to the policies in their syllabi.
- Give parents school flyers/notices, and communicate regularly with my parents and teachers about school experiences so that they can help me to be successful in school.
- Attend before and/or after school tutoring when available and/or see my teachers for extra help.
- Manage my time to ensure that I prioritize my schoolwork, sports, clubs, and activities ahead of "screen time."
- Demonstrate academic integrity by ensuring that all work submitted is my own.
